

RUMORS.

What decisions could Amy and Patrick have made to prevent this problem from occurring?

If Amy were your friend, what would you do?

What symptoms might Amy or Patrick have to cause them to think they have an STD, hepatitis or HIV?

In "our" school, do you think gossiping is a problem? If so, what could you do to stop the gossiping?

How do people participate in spreading rumors? Or Are we judged by the people we hang out with?

What role, if any, do you play in the spreading of rumors?

If you were the subject of a rumor, what feelings might you have?
