

Positive?

Which character in the picture are you the most like and why?

Is anything missing from this picture, and if so, what is it?

What thoughts and feelings do you have when looking at this picture?

What do the plus and minus symbols represent to you?

Do you have any judgements about people with a + or – symbol? What are they?

If you were a friend in this group, how could you tell if someone in the group had an STD, hepatitis or HIV?

Name a person in your life that you could go for information about STD's, hepatitis or HIV? What would make you decide to go to that person? What would you want from that person?
